Reading Comprehension: Read the passage below and answer the questions.

Computers are good tools. The Internet is also good. But some people spend too much time online. Doctor say this is a new sickness. They call this sickness Internet Addiction Disorder (IAD). People with IAD are online. a lot. They spend hours messaging or playing online games. They don't take a break to eat or sleep. Think about these questions: How many hours a day are you online? When you are not online, are you thinking about playing a computer game or checking message? Do you get angry when you can't play a game? Doctors give advice: First, ask yourself" why am I online a lot?" then try to take a break. For example, don't use the computer every day. In this way, you enjoy your life with other friends.
