Read the passage below and choose the correct item.

My name's Anna. I am a student. I am funny and I like to tell jokes. I'm not rude at all. I am also friendly and helpful. I have many friends at school. I love them. They always listen to my jokes carefully. Kate is my sister. I like her very much. She is nice and polite.

I also have a good friend at school. His name's Frank. He is really serious. He is not funny at all. He is hard-working and also busy. He does not talk a lot. So he doesn't have many friends. He usually comes to our house and plays games with us. He is good at playing tennis, but he can't draw pictures.
